## **ANNUAL PROGRESS REPORT OF THE SELECTMEN**

It is our pleasure to present this annual report for the year 1969. We wish to take this opportunity to thank all of the department heads, town employees and fellow citizens of Newmarket, who have made our jobs pleasant throughout the year.

The sewer project is in the final stages of construction and hopefully will be in full operation by the summer of 1970.

The sidewalk program is progressing. During the year, sidewalks were rebuilt on Elm Street, South Main Street and part of Spring Street.

The Water Department, with the help of the public works crew, extended the water main on Route 152 to the road leading to the new well area.

The new rubbish truck arrived in March of 1969 and has been in operation since. We are pleased to hear that the citizens of Newmarket are generally quit happy with th new truck and the rubbish pick up system.

Some work with Town Road Aid funds has been done on Langs Lane during 1969; the Town plans to move its road project to the Bay Road in 1970. The main result will be the widening and some straightening of Bay Road.

Bids were asked for on a dump truck for the Public Works Department — Great Bay Motors Company was awarded the bid. The low bidder for gas and oil was Eddie's Service Station. The low bidder for heating fuel was H. R. Haines Co., Inc. The low bid for our temporary loans was the Durham Trust Company.

The selectmen's meetings are on the first and third Tuesday of each month. We welcome anyone who wishes to attend these meetings.

Respectfully submitted,

Nicholas Zuk

Board of Selectmen

Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newmarket for the fiscal year ended December 31, 1969, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk as part of the permanent records.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, Municipal Court, Special Sewer Construction Fund and Trustees of Trust Funds.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets:**

**December 31, 1968 and December 31, 1969:**

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1968 and December 31, 1969 are presented in Exhibit A-1. As in-

licated therein, the Net Debt increased by \$846,462.55 during 1969, from \$433,005.49 as of December 31, 1968, to \$1,279,468.03 as of December 31, 1969.

**Analysis of Change in Financial Condition:**

(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and Expenditures  
Estimated and Actual Revenues:**

(Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1969, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$4,961.82, plus a revenue surplus of \$9,522.68, resulted in a net budget surplus of \$14,484.50.

**Summary Statement of Receipts and Expenditures:**

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1969 made up in accordance with the uniform classification of accounts, as presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1969, is indicated in Exhibit B-2.

**Special Sewer Fund Construction Account:**

(Exhibit G)

A statement of the activity in the special sewer fund construction account during the year is indicated in Exhibit G.

**Statement of Long Term Indebtedness:**  
(Exhibit I)

A statement of outstanding long term indebtedness of the Town, as of December 31, 1969, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURES

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements submitted from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$14,537.45 during 1969, from \$25,494.52 to \$40,031.97, as shown herewith:

	December 31, 1968	December 31, 1969
Total Assets	\$1,124,034.86	\$588,127.06
Current Liabilities	1,098,540.34	548,095.09
	<hr/>	<hr/>
Current Surplus	\$ 25,494.52	\$ 50,031.97

### **Uncollected and Unredeemed Taxes:**

The selectmen should review the Tax Collector's lists of uncollected taxes and abate such items included therein which are known or appear to be uncollectable.

As indicated by the following tabulation, uncollected taxes of the levies of 1968 and prior years, and unredeemed taxes for which the two year period allowed by law for redemption has expired, amounted to \$9,000.84 at December 31, 1969.

#### **Uncollected Taxes:**

Levy of 1968	\$ 397.71	
Levy of 1967	297.57	
Levy of 1966	6,057.30	
Levy of 1965	552.11	
Levy of 1964	269.25	
Levy of 1963	379.30	
Levy of 1962	77.00	
	<hr/>	
		\$8,030.24

#### **Unredeemed Taxes:**

Levy of 1966	\$ 250.53	
Levy of 1962	720.07	
	<hr/>	
		970.60
		<hr/>
Total		\$9,000.84

The inclusion of uncollectable taxes in the financial statements of the Town obviously has the effect of overstating assets and similarly affects the current financial position (current surplus) of your municipality.

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that this report or summary of findings and recommendations (letter of transmittal) should be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Yours very truly,

**ANNUAL REPORT OF THE  
BOARD OF WATER COMMISSIONERS**

We are happy to report that during the past year, five thousand feet (5,000') of eight inch (8") cast iron pipe was installed with four (4) hydrants giving added water protection, fire protection, and water services to the people on Lee Road.

We hope to continue the water main to the well site within the next few months, as soon as weather permits.

Our next project will be to pump water from the new well into our system, this being the first phase of the Future Planning of the Water Department.

At this time, a study is being made on the extension of water service to the Great Bay area along Bay Road and also to a proposed housing project in the Durham side area.

The sewer construction caused many breaks to mains and services which were very time consuming, but the cost was paid by the contractor.

The old artesian well has been repaired after a long wait for parts.

We wish to take this opportunity to thank the people of Newmarket for their help and support in making our task easier in the running of the Water Department.

Respectfully submitted,  
BOARD OF WATER COMMISSIONERS

## LIBRARY REPORT 1969

In January, 1969, we welcomed our new librarian, Mrs. Ann Harding, who has put in a very busy year. This past summer, Mrs. Harding was awarded a scholarship for summer study at the University of New Hampshire, one of the few to be given this award.

One of the big jobs we tackled this past year was "weeding" the books. This consists of going through the stacks and checking over all the books, then removing from the stacks those that are too old or worn to endure further circulation, or those that have not been circulated at all for a long period of time, or have been rendered obsolete by later editions. These discards are then replaced with up-to-date books or, in the case of the classic favorites, new editions of the old books.

The books thus discarded are often still readable, so many of these were then made available, at a very low price, to the children of Newmarket, at a book sale in February. Because of the good response to the sale, another one was held in April and more will undoubtedly be held in the future, for weeding is a job that goes on.

During the week of April 5-12, the Library held an Art Exhibit, featuring area talent from grade school through adult and including such work as watercolors, oil painting, and needle-and-craft-work.

In May, a shell exhibit was on display and, in addition to the regular visitors, the first and second grades from Central School made a special visit to see the exhibit.

In September, a mineral exhibit was featured and this time the third and fourth grades from St. Mary's School were special visitors.

The Tower Room is also in use this year by various groups, among them the Woman's Club, card club, and a regional pre-school mothers' group.

Eleven new books have been purchased and donated to the Library in memory of Mary Gordon, our former librarian. These books have been so designated with specially printed bookplates and put into circulation; we are most grateful to all who have made these gifts.

This year, the Library also received a large donation of phonograph records which have been in circulation.

Improvements in the Library have been the installation of a new set of cellar stairs, which was very badly needed, and the purchase of a metal trash can to attach to the pole outside the Library; hopefully this will cut down considerably on the litter problem by making a litter-basket readily available.

Other repairs and improvements are scheduled for this coming year, which should make for greater convenience as well as enhancing the appearance of the Library. We would like to take this opportunity to thank all those of you who have in any way contributed to making our Library year a better one for all.

Respectfully submitted,

The Trustees of the Library

ELIZABETH GOWEN,

Chairman

PHILIP HENDRICKX,

Treasurer

JoANNE HAUSCHEL,

Secretary

## ANNUAL POLICE DEPARTMENT REPORT

Law enforcement has to have the cooperation and support of the public it serves — it cannot stand alone.

As in the past, one of the major obstacles to be overcome by your department is the struggle to get the citizens involved in law enforcement, and if not involved, at least aware of the increasing problems, and the complexity of these problems now facing us.

As an example of the point that your department is trying to make; last year in the Town Report, the same problem of public apathy was spoken of, and the citizens were asked to come down and take an interest and find out what was going on, and what problems we faced. Net results? Two (2) people out of over three thousand (3,000) made it a point to find out about our, (and your) problems. Two out of over three thousand! Think about it.

The department is extremely pleased to report that Newmarket has not nearly the increase of the juvenile problem that is skyrocketing on the national average.

Granted, there are only a few that you hear so much about that causes many of the young citizens to be seen in an unfavorable light, but if you look at the accomplishments of the majority in Newmarket, we are proud of our young folk.

As you can see by the yearly totals, 1969 has been a busy year. If we examine most of the complaints or police actions, it will be found that most are brought about simply as a result of a thoughtless action, and most are needless. We can only hope that 1970 will be better.

We should all strive to get along better with our fellow man — we will be better for it.

Respectfully submitted,  
PAUL GAHAN,  
Chief of Police

The Newmarket Fire Department has satisfactorily handled the varied fire emergencies of the past year with its existing equipment kept in suitable running order, with its small complement of available men trained in the most practical manner, and with good workable cooperation from the Newmarket Police Department, the Public Works Department, and through financial support and citizen acceptance of necessary regulations.

With mounting costs in mind and paring expenses to a minimum, most of the department appropriation went for routine expenses. We bought a Scott Air Pack and three more sets of protective clothing. Another dry hydrant is on hand for installation this coming year. Four department members attended training schools held in Fitzwilliam and Guilford.

We still intend to purchase a pumper-tanker with our accumulated Capitol Reserve funds but plan to locate the best buy available before asking for voter permission to expend this money.

**FIREMEN'S AUXILIARY**

In September of 1969 an auxiliary to the fire department was organized to cooperate with and assist the fire

department. The group has selected the name "Smokettes," has drawn up by-laws and regulations and meets regularly on the second Wednesday monthly. At present there are 17 active members. Officers serving are, President, Mrs. Fred (Betty) Harclerode; Vice President, Mrs. Leonard (Cathy) Provost; Treasurer, Mrs. Charles (Louise) Clark and Secretary, Mrs. Richard (Madeline) Homiak.

### **FIRE PERMITS**

A fire permit is needed for all outdoor fires anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash, as well as brush burning. Such burning is restricted by regulation **and is to be done prior to 9:00 a.m. and after 5:00 p.m.**

### **EXCEPTIONS**

Camping or cooking fires are allowed on your own property with permission of the fire warden. On another's property with written permission of the land owner and permission of the warden. The warden can forbid such fires if in a hazardous area or in the case of hazardous weather conditions.

To make living with these regulations as convenient as possible, the fire department offers the following phone numbers where a burning permit may be obtained: Warden, Robert Keller, 659-3286; Deputy Wardens, Herbert Philbrick, Mrs. Herbert Philbrick, 659-3216 and Deputy Warden, Wilfred Beaulieu, 659-5927.

Respectfully submitted,

Robert S. Keller, Chief

Herbert J. Philbrick, Assistant Chief

Richard J. Butler, Deputy Chief

Newmarket Fire Department

## PLANNING BOARD REPORT

The Planning Board held 15 meetings in 1969.

A Zoning Ordinance was proposed and two public hearings and a special town meeting were held to vote on the zoning issue. It was defeated by a two to one vote.

Town road specifications were presented by the Supt. of Public Works and approved by the board.

Three subdivision applications were received and a public hearing was held. Two of the subdivision applications were approved and the preliminary plans of the third were approved.

Subdivision applications, regulations and road specifications may be obtained from the town clerk.

Planning Board meetings are scheduled on a regular monthly basis on the second Tuesday at 7:30 in the Court Room of the Town Hall. The public is invited.

The Planning Board has scheduled a study of water supply problems, traffic congestion and related problems, Lamprey River promotion and revision of the Subdivision regulations for 1970.

Respectfully submitted,

GEORGE E. GRISWOLD,  
Chairman of the Planning Board

## NEWMARKET CIVIL DEFENSE

### JANUARY —

Your local Director made application for a Medical Self Help Course and a Radiological Defense Course through the State Civil Defense Headquarters.

### FEBRUARY —

Medical Self Help School held at the firehouse, an eight week course with 21 local citizens attending. Mrs. Robert Goodrich, R.N. at the Exeter Hospital, taught the course.

Radiological School started at the high school with an attendance of nine local citizens, five of them high school seniors.

Flood-warning information sent to all local directors in case of heavy water run-off.

### MARCH —

Town Meeting month with a Civil Defense budget of \$1,000.00 approved for 1969.

Application made for surplus vehicles; a ton-and-one-half truck and a pick-up truck.

Diplomas presented to all attending Medical Self Help and Radiological School.

More flood warning issued by no heavy spring run-off.

### APRIL —

Surplus vehicle request approved with Newmarket going on a waiting list.

Statewide radio and telephone alert; this was for testing purposes only.

### MAY —

1969-70 Progress Report sent to the State Civil Defense Headquarters; the report was approved by the regional office.

JUNE —

Telephone test alert — testing purposes only. Civil Defense Emergency Auto Window Stickers were distributed to local Civil Defense personnel.

JULY —

Bulletins sent out on severe weather conditions, strong winds and thunder showers, etc.

AUGUST —

Hurricane information sent out by the State Civil Defense in case of hurricanes.

SEPTEMBER —

Your Director was asked to speak to the C.D.A. on Civil Defense. More hurricane information received but thanks to Mother Nature, no hurricane alert was needed.

OCTOBER - NOVEMBER —

Heavy Fall rains caused some concern for flooding; our area not in an immediate danger zone.

DECEMBER —

Another progress report sent to State Civil Defense in Concord.

Through a statewide communications network, in conjunction with the local communications network, our community will be warned in advance of any emergency that might exist.

We now have six mobile units in the highway department — three portables, a base station in the town hall and a radio at the water works.

The fire department has three mobile units — two portables, a base station at the firehouse and several monitoring sets in private homes which were bought by the individuals themselves.

The police department has one mobile, one portable and a base station in the police station.

It should be mentioned that these three departments each have their own radio frequency and can be linked together by telephone in case of emergency.

The firehouse and water works have auxiliary generators so that operations can be carried on as usual in case the electric power is lost. We have a generator at the town hall which we are going to hook into that building this year so that all three departments can operate an auxiliary power.

I wish to take this opportunity to thank all those who so faithfully have given of their time and energy during the past year to make our town a better one.

Respectfully submitted,

GEORGE HAUSCHEL,

Director
